FAQ

Q: Who is responsible for set up and take down on the course?

A: Set up and take down must be done by tournament organizers and/or sponsors. Our team will help out when possible, but we ask that you have a plan in place for this prior to the event day. We can provide a shop cart by request for sponsors/helpers to bring items onto the course. Our team will set up the KP/LD markers, arrange and assign power carts and implement the hole in one yardages as permitted on your insurance. We may also be able to assist with placing sponsor signs on the holes if arranged in advance - We ask that signs are dropped off prior to the event day.

Q: Do you provide on course items, such as tables and chairs for sponsors and games?

A: We ask that organizers and sponsors bring their own tables and chairs. We may be able to supply a limited amount by request, depending on the banquet requirements of the event.

Q: What happens if it's raining on the day of the event?

A: The course superintendent & tournament coordinator will do an evaluation of the course. If the course is considered playable, the tournament will continue, rain or shine. If the course is deemed unplayable, a delay of up to one hour may occur or an alternate time or date will be offered. Otherwise, event dates can only be moved/cancelled 60 days prior to your scheduled date.

Q: Can organizers / sponsors bring alcohol to give out on the course?

A: All liquor consumed on our property must be purchased through our liquor license. Please contact the tournament coordinator for more info. If you have a sponsor with their own liquor license (such as a brewery) they may bring and give out sample size portions of their own products, as according to the BC liquor laws. Note - In order to serve alcohol on our property, you must also have a valid "Serving it Right" certificate with you at the event.

Q: What can I bring on the course for sponsorships

A: Anything from hole-in-one vehicles, to food trucks, to sponsor signs and tents. If you are unsure if something will be permissible on the course, please discuss with the tournament coordinator.

Q: What happens if less people show up than I confirmed for?

A: We will charge you for your confirmed numbers 2 days prior. We always recommend collecting payment from all guests ahead of time so you are not left paying for a no-show.

Q: Can I bring in outside entertainment?

A: Please contact the event organizer, as entertainment permitted may vary.
